## STOLE AND CREST KITS

Here's a delightful project for getting children involved with their confirmation

*Students can make up stoles or crests with religious symbols and their name applied.*

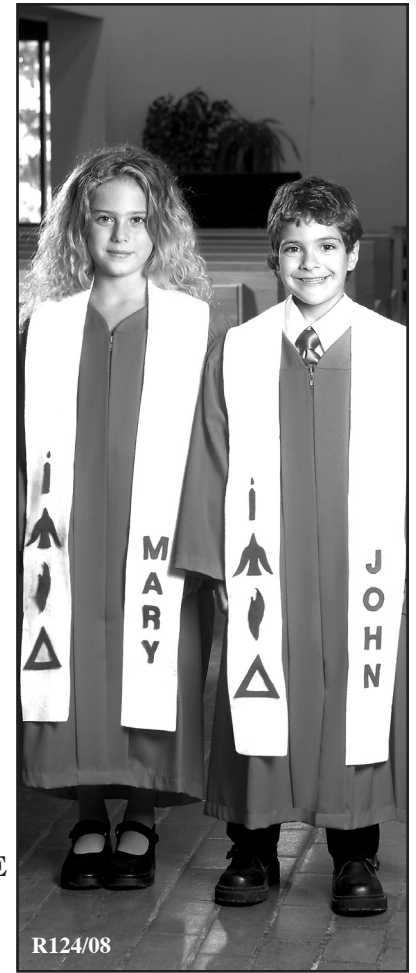

Its easy to do,.. each stole kit has a precut felt stole and square felt pieces to cut the symbols and letters from the stencils provided in the kit.

Each crest kit includes square felt pieces, stencils and a ribbon on which to apply the cutouts plus one gold felt marker per order.
