STOLE AND CREST KITS

Here's a delightful project for getting children involved with their confirmation

Students can make up stoles or crests with religious symbols and their name appliqued.

It's easy to do ... each stole kit has a precut felt stole and square felt pieces to cut the symbols and letters from the stencils provided in the kit.

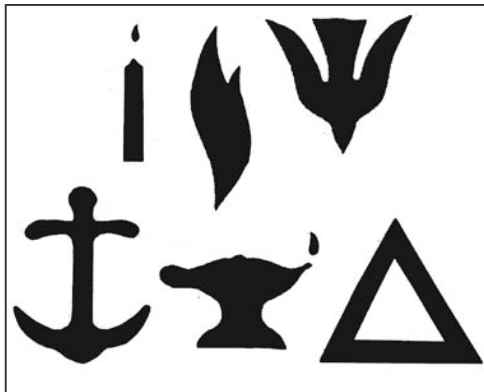

Each crest kit includes precut felt pieces, stencils and a ribbon on which to apply the cutouts plus a gold felt marker
